

CONFLICT MINERALS SOURCING POLICY

June 1, 2020

Avidyne Corporation supports the goals expressed by Congress in enacting Section 1502 of the Dodd-Frank Wall Street Reform and Consumer Protection Act: preventing armed groups from benefitting from the sourcing of Conflict Minerals (which are limited to tantalum, tin, tungsten and gold) in the region of the Democratic Republic of Congo and adjoining countries. The U.S. Secretary of State may or may not expand this list of derivatives in the future.

Avidyne Corporation is committed to comply with reporting requirements by Section 1502 and SEC Rules. Our suppliers, in turn, are being required to conduct the same inquiry with their own suppliers.

Avidyne Corporation is committed not to purchase raw materials, subassemblies or supplies which we know contain conflict minerals. We do not directly source minerals from mines in the DRC or elsewhere, and our supply chain for these metals encourage our direct suppliers to cooperate with these efforts.

Approval:

Roger Mitchell
Senior Vice-President of Operations
Avidyne Corporation
